f L O S

flexible Lan Organization System

- Adjustable in height
clearance heights of 650 mm, 680 mm,
700 mm, 750 mm and 800 mm
- Compatibility with LAN workstations
- Low cost

The work surface can be adjusted into 5 different heights with little handling. The LAN workstations are compatible with one another and also with the basic solution at any time.

Servers can be conveniently accommodated in the lockable under-desk cabinet equipped with 4 fans.

All organization levels are also inclinable through 10°.

Optional extras:

- Pull-out tower base
- Top cabinets
- Server under-desk cabinets
- Cable management
- Heavy-load rollers
- Extra organization levels
- Keyboard mounting in metal
- Keyboard pull-out with mouse pad for underdesk mounting
